

STUDENT SURVEY

CROATIAN IN BURNABY HIGH SCHOOLS

The 'Croatian school' is asking to have Croatian offered as a subject in our Burnaby high schools. This would mean students could take Croatian as a credit course and have it count towards graduation. The Burnaby School District needs to know if there are enough interested students before they approve this. Your answers will help the School District make their decision. All your answers are strictly confidential and will not be used for any other purpose.
